# TACTICAL TIPS + TRICKS:

#### **UPDATED EDN**

#### "Tactical Trickery" Importance of Puzzle Solving

Do practice the ideas :)

Hi everyone. In this newsletter I thought I'd talk about something that a lot of chess masters do and it's quite an easy thing to do actually. That is, it's something we also have in common with masters ourselves. It is, that masters generally try and solve lots of puzzles. This helps them with recognising different patterns and tactics in their own games as they come up, as well as different strategical ideas that they can make use of generally, like pawn breakthroughs and promotion. Now, what is a masters approach to solving puzzles you might ask? Masters, never try and solve puzzles in the hope that the exact same position will come up in their own games. It might, but the reality is the amount of possible chess positions are infinite. A better way is to look at the
