Dear Parent,

Re: Schools Chess Challenge 2018

I would like to invite children from your school to take part in the Schools Chess Challenge to be held at **Knox Grammar Senior School (Wahroonga)** on **Sunday, 28th October, 2018**. This event is endorsed by the NSW Junior Chess League.

Teams will consist of **three** players and there will be two different divisions - Primary Schools and Secondary Schools.

A competent knowledge of the rules of chess is the minimum requirement for each player. There will be a wide range of abilities on the day, so this tournament is suitable for both experienced competition players, and first-time players.

This is a fundraising event and all profits made from this competition will be donated to the NSW Junior Chess League's Special Projects fund, which supports children representing Australia at a national and international level.

I hope your school will be able to join us for this exciting event!

Please find an information sheet and entry form attached. If you have any enquiries about the event, please do not hesitate to contact us.

Yours sincerely,

Brett Tindall
